Report on Remedial Classes

2018-19

This is to inform you that Finishing school of GRIET is conducting Remedial classes for B.Tech IIyear,III year,IV year students to clear their backlogs.

Details are

1. Remedial classes are conducted in different Subjects to support the Students in clearing their backlogs. As the first step, classes are held to students in different schedules. Students were informed through SMS. Students shown lot of interest .Faculty gave tips as well as material for the students.80-90% of the students who have attended got benefit and they passed in the exams.
2. The classes are aimed to help the students having a maximum of three backlogs so that they will get the degree as per their academic calendar. Students preferred material and few tips. For some subjects they came and attentive.
3. The sessions are to prevent failure rate and thereby increasing transition rate. The subjects are selected based on results. To increase attendance for the classes a brief motivation lecture is organized with the key note address by HOD.

The following shows the courses for which Remedial classes are held and the Transition rate in such course:

Faculty Report on Remedial Classes

Subject : Design and Analysis of Algorithms

Unit I: Discussed Time and Space Complexities, Asymptotic Notations. Union, Find Operations

Unit II: Discussed Divided and Conquer Strategy, Quick and Merge Sort algorithms with their performances. Dynamic Programming OBST, 0/1 Knapsack, Reliability design Problems. All pairs shortest path problem algorithm.

Unit III: Discussed Kruskal and Prims Min Cost Spanning Tree, Single Source Shortest path and Job Sequencing with deadlines problems. Asked them to learn the algorithms without fail.

Unit IV: Discussed Backtracking nQueen, Sum of subsets problems. Mcolorability State space tree and hamiltonian cycles. Told the students not to leave any question from this unit, as it is very small unit, and there exists commonality among the problems and their algorithms.

Unit V : Just discussed the P, Np, Np complete and hard classes their issues. For Students interested solved 0/1 knapsack problem using LCBB.
