Team Spirals 2019-20

Team Spirals is a literature club at GRIET that creates over-all development of the student in order to manage the ever changing corporate style without losing the values and to develop the required skill.

Events conducted:

SPIREELS 21/12/2019

Spireels, a writing/narrative fan fiction event was conducted by Team Spirals, the literary club of the college. The event is mainly focussed on the spontaneity and creativity of the students. This event gave a platform to the participants to showcase their inventive and narrative skills in themselves.

WINGS OF WISDOM 26/10/19

Wings of Wisdom, basically was an interactive session conducted by Team Spirals on the occasion of DR.APJ Abdul Kalam. The event had JAM sessions conducted on Abdul Kalam sir's life, later carried with a debate on Impact of Science & Technology. The active speakers were recognised and then were given merit certificates.

GRIET MUN 11/10/19 to 12/10/19

GRIET MUN 2019, is the first edition of MUN conducted in GRIET.

It had 3 committees: UNHRC, DISEC, LOK SABHA. The event started with an opening ceremony addressed by all the higher authorities of GRIET. The first day essentially had the introduction of committees to the participants by EB, followed by the discussions. The Second day had the continuation of the discussions and the essential was passing of resolutions. The event was then concluded with a closing ceremony where the Best delegates and Delegations were awarded

SAHAYA NGO STUDENT TEACHING ACTIVITY 17/9/19

17th, September, 2019 Team Spirals in collaboration with Sahaya, an NGO encourages its members and other students of GRIET to take interactive sessions in a nearby government school. A group of 3 members took session in ZHPS, Shamshiguda. The students were received by Sahaya volunteers, given instructions, ideas on how to handle the students and to interact with them. This also helped us improve our speaking and presentation skills. Interacting with them and making them feel comfortable with the language was fun. It was a very nice experience on the whole.

IMPROVACT 20/7/2019

Improvact 2019, the second edition of the event was conducted by Team Spirals. The participants were divided into 13 teams. It's an event comprised of 2 rounds. In the first round each team was given a riddle to solve and based on their solving speed, the participating teams were allowed to pick a genre and set of dialogues from the 3 languages English, Telugu & Hindi. The participants were later given sufficient time to write a skit connecting their genre and set of dialogues and then enacted them. The skits were judged by both a panel of judges and the participating teams. The 2 winning teams were rewarded with Merit certificates. By participating in the event, the students get an opportunity to enhance their spontaneity, creativity and also improvise their communication and acting skills.

SESSIONS BY SPIRALS 10/02/2020 to 13/02/2020

Sessions by Team Spirals is nothing but a plethora of literature activities conducted especially for the first years. Through many interactive activities like 2-way jam, Hangman, Debates, Pictionary, 5 clues guess the word etc. the students were able to showcase their soft skills. The sessions provided a platform where it

tested the skills of students in domains of public speaking and literature and hence highlighted its importance.

GRIET PARLIAMENT 14/03/2020

GRIET PARLIAMENT, a mock parliamentary debate event conducted by 'Team Spirals'.

GP is replication of live model of parliament in which proceedings of the parliament are enacted. It is to promote better understanding about the working of the government and its decision making process.

The discussed bills in GP were:

1. Municipalization of education
2. The Reservation Amendment bill

GP gave a platform for the participants to debate and explore the pursuit of dispute. GP mainly focused on the spontaneity of the participants, and also to develop in them respect and tolerance for the views of others. It also focused to build understanding among the participants that emphasizes respect for rules which are essential for conducting the proceedings systematically and effectively.

PANORAMIC PANDEMIC 01/04/2020 to 06/04/2020

Panoramic Pandemic is an E-event conducted by SPIRALS. The team conducted an online poll on various topics with regard to the current matter of concern-COVID-19. The aim of the event was to understand the mindset of people while also educating them about the virus. The questions connected the What when and how of the virus with the disastrous impact it's having on the world. The club also posted book-reviews, artworks and joyful images (i.e. memes) during this period of 6-days. The results collected from the event were used to better help the society. Overall the audience had a fun and informative week while taking the poll.
