Feedback Analysis for the Academic Year 2021-22

The analysis was done by collecting feedback from students, alumni, employer and parentas shown in the below list:

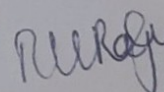

PO	ALUMINI	PARENT	STUDENT	EMPLOYER
a	86	81	87	90
b	88	81	87	87
c	87	91	82	85
d	90	81	80	84
e	86	81	84	86
f	90	90	82	80
g	88	94	81	79
h	92	93	91	88
i	90	93	86	80
j	91	81	87	86
k	90	90	81	86
l	89	93	80	81

All the Survey attainments are above 75% and we are doing well. But still there is a scope for improvement.

Some of the Surveys indicated scope of improvement in PO-A, PO-B, PO-C, PO-D, PO-G, PO-J, PO-L i.e., ability to design real time solutions for society.

- Students are encouraged to learn on their pace and be ready for the industry requirement throughout their career, by inculcating Learning on various online forums such as NPTEL, Udemy, Course Era and acquire Certification on latest technologies.
- Students are encouraged to attend Guest Lectures, Webinars, Seminars, Training Programs, Workshops involving latest technologies in multi-disciplinary fields.
- Students are encouraged to participate in NSS activities, Haritha haram, Seminars, Workshops, and Conferences.
- Students are encouraged to design Projects in association with different branches.
- Students are encouraged to participate in technical events, inter disciplinary workshops and acquire the technical skills relevant for the society.
- Students are encouraged to design and implement real time in-house projects and interpret their results.
- Students are encouraged to implement complex problems for improving problem solving and critical thinking capabilities.
