

## PROFILE DETAILS

**Name:** VEENA RANI  
**Designation:** Assistant Professor  
**Qualifications:** M.Tech  
**Experience:** 1.5(Teaching)  
2 (Industry)

**Research Interest:** Networking, Data Mining.

**Co-Curricular and Extra-Curricular Activities:** Class In-Charge, Counsellor, In-Charge for Placements and Skill Development Cell.

### SUBJECTS HANDLED

- Digital Logic Design
- Computer Networks
- Software Engineering
- Data Mining and Warehousing

### Labs Handled

- DBMS Lab

### Conferences Attended: 04

- 1) A Workshop on 'cloud computing' ,G.Narayanamma Institute of Technology,Hyderabad.
- 2) A two day Workshop on 'Big data Analytics',Chadalawada Ramanamma Engineering College,Tirupati.
- 3) A workshop on 'Advanced concepts in Java', Chadalawada Ramanamma Engineering College,Tirupati.
- 4) One day Workshop on 'Advanced Trends in Cloud Computing', Chadalawada Ramanamma Engineering College,Tirupati.

### No.of papers presented in National Conferences: 01

- 1) A Novel Approach for Enhancing Trustworthiness using ReTT mechanism and Mobie agent Technology for securing routing protocols in wireless Ad hoc Networks.

### Journal Publications: 01

#### [International Journal:]

- 1)"A Novel Approach to Improve Network performance in MANET using Ant Intelligence",IJERT-International Journal for Research and Technology,ISSN 2278-0181,Vol.3 Issue 8,August 2014.
