Report of the Event

Title of the Event: Oracle Workforce Development Initiation Program

Organized Date: 17th July 2014

Faculty: Oracle Team

Summary:

WorkForce Software offers strong support for Oracle Corporation's databases and HCM/ERP software platforms through our membership in the Oracle Member Partner program. As a result, our WorkForce Suite seamlessly integrate with Oracle's solutions, including Oracle HCM Cloud, Oracle Fusion, PeopleSoft, Oracle E-Business, and JD Edwards. This ensures that joint customers receive a tightly-aligned and comprehensive HCM/ERP solution that addresses their tactical and strategic business requirements.
