Summary:

Whether you're an established professional or new to the field, Microsoft in-person and online IT training will give you the expertise you need in a specific product or technology. When you learn from our Microsoft Certified Trainers, you can be confident that what you'll learn will be accurate, complete, and up to date. Choose a traditional classroom training setting or one of the new Microsoft Official Course On-Demand (MOC On-Demand) options, which let you learn on your own schedule, at your own pace, and in your own place.
