

GokarajuRangaraju Institute of Engineering and Technology (Autonomous)

Report of the Event

Title of the Event: “IEEE Cognitio”

Organized Date: 10th June 2017,GRIET

Faculty: Dr.Y.Vijayalata

Summary:

The **Institute of Electrical and Electronics Engineers (IEEE)**, read I-Triple-E) is a non-profit professional association headquartered in New York City that is dedicated to advancing technological innovation and excellence.

IEEE is the world’s largest professional association dedicated to advancing technological innovation and excellence for the benefit of the humanity. With more than 400,000 members in over 160 countries, 100,000 student members, and 1,855 student branches at colleges and universities in 80 countries. IEEE members include engineers, scientists and allied professionals whose technical interests are constricted to electrical and computer knowledge, engineering and other related, disciplines.

The key values of IEEE membership are technical innovation, access to cutting-edge information, networking opportunities, and exclusive member benefits.
